TALKING SCIENCE

## CALLING ALL SCIENTISTS

Are you passionate about your science?

If you can **excite**, **intrigue** and **entertain** with a science, mathematics, engineering or technology concept in under three minutes then FameLab is for you. Enter and stand a chance to win great prizes and a trip to the UK for the International Final!

## What Is FameLab?

**FameLab** is an international competition that gets people talking about science. It runs in more than 25 countries with an international final in the United Kingdom.

# International Fame Lab

TALKINGSCIENCE

## WHO CAN ENTER?

**You can!** ... if you are between the ages of **21** and **35** and currently registered, studying or working in **science, technology, engineering** or **mathematics** in South Africa.

This includes private and public sector employees, teachers, technicians and anyone working in the fields of natural sciences and engineering ... including biology, biotechnology, chemistry, computer science, engineering, mathematics, medicine, pharmacy, physics, psychology, robotics, astronomy and more.

## HOW CAN I ENTER?

Register to participate at one of the **regional heats** or send us your **video entry** by 15 February 2013.

**Johannesburg • SciBono Discovery Centre**

21 February 2013 • 09h30

**Durban • Gateway Science Centre**

26 February 2013 • 09h30

**Cape Town • Science Centre**

28 February 2013 • 09h30
